Hearing Aid Benefit Program

Provided By

Comprehensive Professional Systems Inc.
Helping You Hear The World Clearly Again!

Provided at a \$200 out-of-pocket expense the CWA Local 1180 members, spouses, and dependents are entitled to the following:

- A comprehensive audiological evaluation which includes: screening & pure tone audiometry; threshold air & bone. *
- Speech audiometry evaluation which includes threshold & discrimination.
- A wide variety of hearing aid options: Behind-The-Ear, In-The-Ear, Body-Aid or All-In-The- Canal.
- Ear impression (mold).
- Unlimited visits & servicing (in the first year).
- Battery and a one year guarantee.

**\$35.00 fee to member if hearing aid is not needed.*

Do you think you need a hearing aid test? Answer these 4 questions:

- Do you need to ask people to repeat things frequently?
- Do you hear people talk but have difficulty understanding the words?
- Do people seem to mumble or speak more softly than they used to?
- Do you hear better with one ear than the other?

If you answered yes to two or more of these questions, it's time for a more thorough investigation. Schedule your **covered** hearing aid exam today!
