Scheduled Dental Benefit Plan

What is the Scheduled Dental Benefit Plan?

Under this plan, which is self-insured by the Fund, each covered member and eligible dependent is entitled to a maximum of \$2000 for covered services in any calendar year. All covered services are included in the Schedule of Dental Allowances.

How are Benefits Determined?

Benefits paid under the Scheduled Dental Benefit Plan are based on a Schedule of Dental Allowances. If your (non-participating) dentist charges more than the scheduled allowance, you will have to pay the difference. If your dentist charges less than the schedule, you will be reimbursed your dentist's actual fee. Participating dentists will charge only the schedule allowance and accept the Fund reimbursement as payment in-full for covered services.

Claims are not payable to members or their assignees until considered and approved by the Dental Consultant. Such consideration shall not exceed six months from the date the claim is received by the Dental Claim Office.

These benefits will be paid for out-of-hospital care by a provider who is not part of a hospital or outpatient facility. In New York State, under the provisions of the Health Care Reform Act of 1997, if a dentist or covered provider's practice is part of a certain hospital or outpatient facility, benefits will not be paid for their services.

Who are the Participating Dentists?

The Fund has created a panel of dentists who have agreed to provide covered dental procedures at **no out-of-pocket expense** to eligible members, spouses and dependent children who participate in the self-insured dental plan. The listing is provided as a convenient information service. The Fund does not recommend the services of any particular dentist. Participating dentists are selected because they agree to accept the Fund's Schedule of Dental Allowances as **payment in-full for covered services**. Please see the Fund's *List of Participating Dentists* for more information.

Are the Orthodontic and Implant Benefits Included in the Yearly Maximum?

No. These benefits have separate lifetime maximums. See the Schedule of Dental Allowances for details.

When is Pre-Treatment Review Required?

When the dentist's proposed charges for a course of treatment include crown and bridgework or will amount to \$500 or more, dental services must be reviewed by the Dental Claim Office before treatment is rendered.

How Do You File A Claim?

To receive or assign benefits under the Scheduled Dental Benefit Plan, follow these simple steps:

1. Obtain a claim form from the Fund Office.
2. Complete the member's part and sign form after services are rendered.
3. When treatment is completed have your dentist complete the Attending Dentist's Statement.
4. Within 90 days, submit form to:

Beginning January 1, 2014

The Trustees of the CWA Local 1180 Security Benefits Fund (“SBF”) announced a major restructuring of the Plan of benefits as of January 1, 2014 that provides significant new benefits to you and your family. The changes were made so that the Plan complies with the Federal Affordable Care Act requirements.

Dependents Under Age 19 – No Cost Benefit

Dependents under age 19 must choose a Fund Scheduled Participating Dentist. The plan will have no annual dollar cap for medically necessary orthodontia obtained through a Fund Scheduled Participating Dentist. However, the lifetime limits will remain in place for orthodontia that is not medically necessary – that is, other than in cases of a cleft palate or other deformities that are part of or the result of a congenital defect or anomaly of the mouth that prevents the usual and normal action of mastication and ingestion of normally solid foods. Otherwise, lifetime frequency limitations in the dental schedules do not apply to those under 19.

Participating Dentists

This is a listing of the names, addresses and phone numbers of the dentists who are currently participating with the CWA Local 1180 Scheduled Dental Benefit Plan. These dentists have agreed to provide covered dental procedures **AT NO OUT-OF-POCKET EXPENSE** to eligible members, spouses and dependent children who participate in the self-insured dental plan. This listing is provided as an information service only, for the convenience of covered members and their eligible dependents. The Fund does not recommend the services of any particular dentist. The participating providers have been selected because they have agreed to accept the Fund's dental fee schedule as **PAYMENT IN FULL FOR COVERED SERVICES**. If a panel provider charges you or your eligible dependents for any covered service, please do not pay and contact the Fund Office immediately. The Fund requests that you report any irregularities including rudeness, unsanitary conditions and difficulty in obtaining appointments at convenient hours to the Fund Office.

A dentist's participation is subject to change - therefore, when you call for your appointment, be sure to verify that the dentist is currently participating with the Fund.
