IN-PERSON LOCATION:

We warmly invite you to attend our Monthly Queens Coordinating Community Committee Meeting! This is a great opportunity to connect with fellow members, discuss important issues affecting our communities, and collaborate on meaningful initiatives. On occasion we will have invited guests who will speak to the issues in the community and ways to address them.

Your participation is valuable, and we encourage everyone to come out, share your ideas, and be part of the conversations that shape our boroughs. Don't forget to bring a fellow member, or a member of the community, with you to the next meeting! Together, we can make a lasting impact.

We look forward to seeing you there!
